Fort Saint George, Public Works Consultation of 24th February 1857.

No. 76. Read the following Extract from the Proceedings of the Acting Superintending Engineer, Northern Circle, in charge of the Central Office of Public Works, dated 9th February 1857, No. 10142.

Read the following letter from Lieutenant E. HEMERY, District Engineer of Cuddapah; to Colonel C. E. FABER, Chief Engineer, dated Cumbum, 28th January 1857, No. 877.

Sir,
With reference to Extract No. 1286 from Minutes of Consultation under date the 28th July 1856, I have the honor to inform you that there appears to have been some misunderstanding on the part, first, of Assistant Overseer Dameram, and subsequently of Mr. Addis regarding the length of road for which the annual sanction of 600 Rupees was granted in 1852.

2. The late Captain Best intended that this sum should be expended on the road from Baukrappett to Goolcherroo, a distance of 7 miles, but the Ghaut alone was kept in repair whilst the road to Baukrappett was entirely neglected until last year, when Government sanctioned Rupees 1680 for repairing it. This has now been done in a very satisfactory manner, and the whole distance from Baukrappett to Goolcherroo is in very good order.

3. The distances quoted from the Road book in para. 2 of the Extract above alluded to are not correct. The whole distance to which the annual sanction of 600 Rupees applied is 7 miles viz., 4 miles of Ghaut commencing at the village of Goolcherroo on the South side of the Hills, and 3 miles from the North foot of the Ghaut to Baukrappett.

Resolved to forward to Government copy of the foregoing letter No. 877, dated 28th January 1857, from the District Engineer of Cuddapah, furnishing the information called for by Government in Extract from the Minutes of Consultation No. 1286, dated 28th July 1856.

(Signed) C. C. JOHNSTON, Captain,
Acting Superintending Engineer Northern Circle.

No. 77. ORDER THEREON, No. 362; dated 24th February 1857.

Ordered that the foregoing Extract be recorded.

(Signed) H. FORBES,
Acting Secretary to Government.

The distances quoted from the Road Book in Para 2
