I William Robert Bakington
Civil Surgeon of Coconada, do
hereby certify that Hectoshato
Engineer of the Pinnaker Steam
Barge is in a bad state of
health, and I solemnly and
sincerely declare that according
to the best of my judgment
a change of air is essentially
necessary to his recovery; and
that the circumstances of his
case are such as to render
leave of absence for the pe-
riod of three months highly
desirable -
