Fort Saint George, Public Works Consultation of 10th March 1857.

No. 51. Read the following letter from Lieutenant Colonel W. E. BAKER, Secretary to the Government of India; to J. D. BOURDILLON, Esq., Secretary to the Government of Fort Saint George, dated Fort William, the 6th February 1857, No. 655.

SIR,

The Right Honorable the Governor General in Council has directed me to convey to you the sanction of the Government of India to the supplemental estimates for the bridges at Aska and Injilly on the Berhampore and Russelcondah road in the District of Ganjam, amounting to Rupees twenty-four thousand and seven hundred, as requested in your letter No. 2390, dated 22nd December last, with an expression of regret that the original design was not more carefully prepared, and that so much comparatively useless expenditure has consequently been incurred.

2. The sum thus sanctioned, I am desired to add, will be understood to form part of the sanctioned allowance for Public Works from the crore fund which was appropriated to the use of the Madras Government; and that a further proportionate deduction must be made from the allotments to the works detailed in your letter No. 2292 of the 10th December last, after such modification as was pointed out as necessary in my letter No. 317, of the 16th Ultimo.

No. 52. ORDER THEREON, No. 426; dated 4th March 1857.

Ordered to be communicated to the Chief Engineer. The works sanctioned in the foregoing letter will not be commenced until after the 30th April 1857, with reference to the order of Government of the 18th Ultimo, No. 329. The Government remark that the Government of India desire that the sums now sanctioned should be provided from the allowance for Public Works sanctioned for this Presidency in the current official year, and as the whole of that allowance has been already appropriated, no funds are now available, without arresting the progress of other works already ordered as important.

Acting Secretary to Government.
