Fort Saint George, Public Works Consultation of 10th March 1857.

No. 64. Read the following letter from ARTHUR HALL, Esq., Collector of South Arcot; to H. FORBES, Esq., Acting Secretary to Government, Fort Saint George, dated Cuddalore, 17th February 1857, No. 79.

SIR,

With reference to Extract from the Minutes of Consultation No. 217, under date the 28th Ultimo, communicated to me by the Central office of P. W. Department, I have the honor to explain for the information of the Right Honorable the Governor in Council that, I cannot discover that I was ever called upon to transmit a revised Account Current for the month of May last, and that no Statement of the kind was due from this District on the 10th January last, the date of the Chief Engineer's report to Government.

No. 65. ORDER THEREON, No. 432; dated 5th March 1857.

Referred to the Chief Engineer for explanation. The Government observe that in the Tabular report submitted with Colonel Faber's letter, dated 10th January 1857, No. 9411, the remark "revised Account Current called for" is entered opposite to South Arcot, and it was this which led the Government to express displeasure at the delay in that District, in para. 2 Minutes Consultation dated 28th January, No. 217.

(Signed) H. FORBES,
Acting Secretary to Government.
