Fort Saint George, Public Works Consultation of 10th March 1857.

No. 95. Read the following letter from Captain C. C. JOHNSTON, Acting Superintending Engineer, Northern Circle, in charge of the Central office of Public Works; to H. FORBES, Esq., Acting Secretary to Government, dated 26th February 1857, No. 10494.

Sir,

With reference to Extract Minutes Consultation No. 239, dated 2nd Instant, I have the honor to submit the accompanying letters from the District Engineer, and Collector of South Arcot, on the subject of the road from Tripatore to Singaputtin in that District.

Para 2.

Dated 10th February 1857, No. 14.

Do. 18th do. " " 106.

2. The Collector considers the road alluded to as one of very great importance, communicating as it does from the Salem District with the largest salt depot of South Arcot, and with Trinomally, where extensive works are being established by the East India Iron Company.

3. Lieutenant Foord reports, that, the road for 20 miles from Mercanum, as far as Tindivanum is completely formed, and that the channels crossing it are being bridged, that the portion thence to Trinomally is in very fair order, and that up to Chungummah, a distance of 20 miles has been made, while between the latter station and the Salem frontier, the road is passable by bandies, although not yet completed.

No. 96.

ORDER THEREON No. 450; dated 10th March 1857.

Ordered that the foregoing letter be recorded.

(Signed) H. FORBES,

Acting Secretary to Government.
