Fort Saint George, Public Works Consultation of 10th March 1857.

No. 103. Read the following Extract from the Proceedings of the Chief Engineer, dated 3rd March 1857, No. 10618.

Read the following letter from Captain OUCHTERLONY, District Engineer of Malabar; to Colonel C. E. FABER, Chief Engineer, dated Paulhant 23rd February 1857, No. 912.

SIR,

With reference to Lieutenant O'Connell's letter No. 46, dated the 10th Instant, I beg leave to state that I have not submitted an estimate for office furniture as directed in Extract Minutes Consultation No. 2185, and Extract Proceedings No. 8350, because I found that so long as I remained in charge of the District I could do without furniture. My own wants are small, and as my successor's arrangements might be different from those I should have carried out, I thought it best to leave the organization of the permanent office to him.

Resolved with reference to Extract Minutes Consultation No. 2185, of the 20th November last, to submit copy of the foregoing letter to Government, with a recommendation, that as the District Engineer Malabar does not at present stand in need of office furniture, the subject may be considered as one not calling for any further reference.

2. The attention of Lieutenant Bean, will be called to the necessity of submitting an estimate, for the office furniture, he may require.

(Signed) C. E. FABER, Colonel,
Chief Engineer.

No. 104. ORDER THEREON, No. 454; dated 10th March 1857.

Ordered that the foregoing Extract be recorded.
