Fort Saint George, Public Works Consultation of 17th March 1857.

No. 3. Read the following letter from Captain C. C. JOHNSTON, Acting Superintending Engineer, Northern Circle, in charge of the Central office of Public Works; to H. FORBES, Esq., Acting Secretary to Government, dated 20th February 1857, No. 10410.

SIR,

I have the honor to request that you will be good enough to cause to be inserted in Statement No. 3, of the Budget for 1857-58, under the head communication, the sum of Rupees 16,000, sanctioned in Extract Minutes of Consultation No. 954, dated 22nd December 1855, for the maintenance of the Toombudra channels in the Bellary District.

This item has apparently from inadvertance, been omitted by the District Engineer of Bellary, in the Statement No. 3, received in the Central office, from that District, and as the omission has been detected, I beg that the same be rectified in the general Statement No. 3 now in the Government Office.

The requisition made in this letter will be attended to in the Government Office.
