No. 33. Read the following letter from Captain C. C. JOHNSTON, Acting Superintending Engineer, Northern Circle, in charge of the Central office of Public Works; to H. FORBES, Esq., Acting Secretary to Government, dated 27th February 1857, No. 10506.

SIR,

With reference to Extract Minutes of Consultation No. 2336, dated 17th December 1856, and to my letter of the 14th Instant, No. 10292 I have the honor to submit the accompanying letter from Lieutenant A. S. Moberly, District Engineer of Chingleput giving cover to an application for a gratuity on behalf of the widow of the man (Quilon) who died from Chronic Diarrhœa, believed to have resulted from the injuries he received by the fall of the centering of the 6th Arch of the Adyaur Bridge, and to recommend that the amount of gratuity proposed, calculated for 6 months, at 2 annas per day, viz. Rupees 22-8 may be authorized.

Dated February 20th 1857
No. 194.

No. 34. ORDER THEREON, No. 471; dated 14th March 1857.

The application for gratuity made in the foregoing letter, is on behalf of the widow of the man who was reported to have been seriously injured by the fall of the centering of the 6th Arch of the Adyar bridge, and respecting whose case information was called for by Government in Extract Minutes of Consultation of the 19th September and 17th December 1856.

2. It is stated by the District Engineer of Chingleput, that this man died from Chronic Diarrhœa brought on apparently by the shock to the system occasioned by the injuries which he sustained. But as this opinion is not supported by Medical testimony, the Governor in Council requests that the cause of death may be ascertained from Dr. Jackson, and reported to Government.

(Signed) H. FORBES,
Acting Secretary to Government.

No 1691

From
Lieutenant A. S. Moberly
District Engineer of Chingleput

To
Colonel C. C. Fabre
Chief Engineer D.P.W.

Sir,

With reference to your letter No 39 of the 10th Instant, I have the honor to forward an application for gratuity to the wife of Dunlop, who died from Chronic Diarrhoea brought on apparently by the Shock to the System, from the injuries received by the fall of the Centering of the 6th Arch of the Adiyar Bridge. The delay in submitting this Statement has arisen in consequence of the Moonsiff and Cuscopilly of Manapauthum whom I called upon a long time ago to come up to my Office as witnesses, having only come yesterday.

I have the honor to be Sir
