No. 8. Read the following Extract from the Proceedings of the Acting Superintending Engineer, Northern Circle, in charge of the Central office of Public Works, dated 14th February 1857, No. 10289.

Read the following letter from Lieutenant E. R. BLAGRAVE, District Engineer, Kurnool; to Colonel C. E. FABER, Chief Engineer, dated 4th February 1857, No. 72.

SIR,

I have the honor to inform you, that Captain Nelson reports the commencement of operations for clearing the jungle, building huts, &c. preparatory to the opening of the newly proposed Munteral Cunnama ghaut, and to request that the Dresser or other Medical Attendant recommended by Lieutenant Hemery to attend the working parties, be appointed as early as practicable.

2. It is my intention to go to that neighbourhood to mark out the trace early next month if not previously done by Lieutenant Hemery, or prevented by other work. The charge of this work (as more properly devolving on the Engineer of this District) after consulting Lieutenant Hemery, I have taken in hand.

3. Captain Nelson mentions some difficulty as regards rates to be paid; but this I have left entirely to his discretion and management.

Resolved to forward copy of the foregoing letter for the information of Government, and to request that sanction may be granted, through the proper channel, for the services of a Dresser to be placed at the disposal of Captain Nelson.
