Fort Saint George, Public Works Consultation of 24th March 1857.

No. 44. Read the following letter from Colonel C. E. FABER, Chief Engineer; to H. FORBES, Esq., Acting Secretary to Government, dated 5th March 1857, No. 10710.

SIR,

With reference to para. 5 of a letter, dated 5th January last, from the Clerk of the Peace, to the Chief Secretary to Government, communicated in Extract from the Minutes of Consultation No. 55, dated 14th Idem, and to the order of Government directing me to report on the application for allotting the buildings alluded to for the purpose indicated, I have the honor to forward a sketch* of the ground in the immediate vicinity of the slaughter house at Perambore, showing the positions of seven buildings, (with plans and sections of the same) connected with the late Cylinder Charcoal Manufactory.

* Prepared by the Civil Architect.

2. The buildings are not at present made use of in any way for Government purposes, and as they would be valuable adjuncts to the slaughter house, I see no objection to their being made over to the Municipal authorities.

3. Government not having called for any particular information respecting these buildings, or for any valuation of them, I conclude that the sketch now submitted is all that is required.

No. 45. ORDER THEREON, No. 516; dated 21st March 1857.

The Government observe that, besides the report now furnished regarding the Government buildings in the vicinity of the slaughter house at Perambore, the Chief Engineer was called on, in para. 1 of the order of the 14th January 1857, No. 55, Public Department, to submit estimates of the expense of making the additions and improvements recommended by the Clerk of the Peace to the above slaughter house. This requisition, it is remarked, has not been attended to, and Colonel Faber's attention is called to the omission.

2. The present letter from the Chief Engineer will be communicated to the Public Department in reference to the Minutes of Consultation in that Department, dated 14th January 1857, No. 55.

(Signed) H. FORBES,
Acting Secretary to Government.
