Extract from the Proceedings of the Chief Engineer,
in the Department of Public Works,
Under date the 11th March 1857.

Read the following.

P^{re} N^o 117.

From Captain J. H. Rundall
District Engineer 4th Division

P^{re} Colonel C. E. Tabers
Chief Engineer D. A. W.
Fort St. George

"Public"

Sir:

I have the honor to forward a Medical Certificate granted by the Civil Surgeon at Coconada to Mr. A. Shortt Engineer of the Parramatta Bridge. He has exhibited signs of insanity on one point, viz. that he is under constant alarm that attempts will be made on his life. On Sunday the 23rd instant, he became so excited that Mr. Turke found it necessary to put him under restraint, and eventually to send him to the Seamen's Hospital at Coconada.

It appears that his insanity is confined to this one point. He of course is rendered totally unfit for all work, and I would therefore request your permission to employ some other person in his stead until Mr. Shortt's health and reason become re-established.

J. H. Rundall Office Esq.
Camp at Dowlaisheraud
28th February 1857.

I have &c.
J. H. Rundall Captain
District Engineer Esq.

William Robert Babinston Civil
Surgeon of Coonada, do hereby Certify that Mr.
H. Shortt Engineer of the Paumotu Steam
Dredge is in a bad state of health and I solemnly
and sincerely declare that according to the best
of my judgment, a change of air is essentially
necessary to his recovery, and that the circum-
stances of his case are such as to render leave
of absence for the period of six months highly
necessary.

Coonada - / Wm R Babinston
27 February 1837 Civil Surgeon

Resolved to submit a copy
of the foregoing letter with its enclosures for
the favorable consideration and Orders of
Government, on the recommendation of the
Civil Surgeon of Coonada that Mr. Shortt
should be granted 6 months leave of
absence on Medical Certificate.

Wm Fisher Colonel
Chief Engineer
