No. 49. Read the following letter from Colonel C. E. FABER, Chief Engineer; to H. FORBES, Esq., Acting Secretary to Government, dated 11th March 1857, No. 1082O.

SIR,

I have the honor to submit under Clause 2 of Extract Minutes of Consultation No. 696 dated 18th October 1855, an estimate amounting to Company's Rupees (1450) one thousand, four hundred and fifty, for renewing the floor of the passages, and three rooms with smooth cut square granite stones in Chunam, and repairing and pointing the existing square brick floor &c. of the Government Central Museum.

2. The estimate has been framed by the Civil Architect, in compliance with my Proceedings calling his attention to Doctor Balfour's letter No. 590, of the 28th December 1856, and as the rates by which the calculations are made, seem moderate, yet sufficient, I beg to recommend that the sum of Company's Rupees 1450, estimated for the above work may be sanctioned.

No. 50. ORDER THEREON, No. 566; dated 27th March 1857.

The estimate submitted with the foregoing letter, amounting to Rupees 1,450 for improving the flooring of the passages of the Government Central Museum not being of an emergent nature the Right Honorable the Governor in Council sanctions its entry in the Budget of 1858-59.

(Signed) H. FORBES,
Acting Secretary to Government.
