No. 98. Read the following Extract from the Proceedings of the Chief Engineer, dated 19th March 1857, No. 11061.

Read the following letter from W. ROBINSON, Esq., Acting Collector of Malabar; to Colonel C. E. FABER, Chief Engineer, dated Calicut 7th March 1857, No. 664.

SIR,

With reference to your Resolution, dated 26th Ultimo No. 10465 forwarding Extract from the Minutes of Consultation, dated 19th Idem No. 331 I have the honor to forward the correspondence noted marginally, regarding the removal, from the Mundoor road work, of Overseers Jones and Boosch.

From Captain Ouchterlony, dated 20th January 1857, No. 908.
To Special Assistant Collector 23rd January No. 185.
To Mr. Jones, dated 14th February No. 384.

A copy of Captain Ouchterlony's letter to your address dated 5th Instant has just been received, on which I beg to observe that Captain Ouchterlony has confused some matter I mentioned to him of Mr. (Watson next in Public employment) with what I told him of Mr. Jones, as regards the intelligence received from his former employers in the Railway Department I am not aware that Mr. Jones was dismissed from any situation. Of his steadiness I have an in different opinion from what my Sub Collector said of his conduct at Palghat.

The funds available for expenditure on the Mundoor road do not admit of the expensive establishment kept up before and as Mr. Jones and Mr. Boosch were not on the regular establishment we considered it desirable to dispense with their services.

With regard to Overseer Church I understand from a copy of Captain Francis' letter to you dated 21st January last No. 3 that he was directed to return to Malabar, as soon as he was permitted by his Medical Officer, in order to settle his accounts of the Trunk road No. 4, but he has not yet arrived.

Resolved to forward to Government for information in continuation of the Chief Engineers Proceedings No. 10960, dated 16th March 1857, copy of the foregoing letter No. 664 of the 7th March 1857, with its original enclosure from the Collector of Malabar furnishing additional information regarding the removal of Overseers Jones, and Boosch, from the Mundoor road and stating that Overseer Church has not yet arrived in Malabar.

(Signed) C. E. FABER, Colonel,
Chief Engineer.

No. 99. ORDER THEREON, No. 591; dated 31st March 1857.

Ordered that the foregoing Extract be recorded.

(Signed) H. FORBES,
Acting Secretary to Government.
