Fort Saint George, Public Works Consultation of 7th April 1857.

No. 3. Read the following letter from B. CUNLIFFE, Esq., Collector of Madras ; to T. PYCROFT, Esq., Chief Secretary to Government, dated 10th March 1857, No. 7.

SIR,

I have the honor to forward copy of a letter from the late Superintendent of East Coast Canal, requesting me to purchase and make over to the Canal Department the ground adjacent to the Toll office at Cochrane's Canal, and alluded to in Extract Minutes of Consultation, 4th March 1856, and 23rd June 1856.

2. Notices have been issued for the attendance of the owner A. R. Soobaroyaloo Chetty, but have been returned unserved, on the declaration that he is absent from Madras.

3. The land, of which the enclosed is a plan, comprises according to present enjoyment Cawney 1 grounds 3 square feet 2328½, but as 338½ are an encroachment on the Ennore road, according to the plan of the esplanade in this office, the extent of land belonging to Soobaroyaloo Chetty, is Cawney 1 grounds 2 square feet 333.

4. As stated on the back of the enclosed plan there exist on the land 14 huts and 2 tiled houses. The remaining portion is covered with wood stacks.

5. As it is uncertain when the owner may appear, I think it will be better to take the land under Act XX, of 1852, leaving a settlement with the proprietor for future consideration, and with this view I beg to subjoin a specification of the ground.

6. Cawney 1 grounds 2 square feet 33½ in Tondiarpettah, belonging to A. R. Soobaroyaloo Chetty, bounded on the North by Government ground, West by Cochrane's Canal, South by Canal and Government ground, and East by the Ennore road.

Letter from Lieutenant CHAMBERS, Engineers Superintendent of the E. C. CANALS ; to B. CUNLIFFE, Esq., Collector of Madras, dated Madras, 26th July 1856, No. 183.

SIR,

* No. 1024, dated 23rd June 1856. With reference to para. 2 of the Extract* of Minutes of Consultation wherein it is stated, that, if the owner of the 6,700 square yards of land near the Toll house which I am desirous of converting into a wharf for landing wood, can prove that he paid 2,100 Rupees for the plot, it will be only fair to pay him the amount he asks, I have the honor to request that you will take measures to ascertain the fact and afterwards to make over the ground to the Canal at your convenience.
