Extract from the Proceedings of the Chief Engineer
in the Department of Public Works.

Under date the 25 March 1857.

Read the following.

From
Lieutenant F. Syrells.
Executive Engineer Berar.
To
The Chief Engineer
Madras.

dated Secunderabad 12 March 1857.

Sir,

I have the honor to state, that I left the
Division on the 15 December 1855, and arrived
in Madras on the 27th December 1855, and should
have returned then as I could not take my
leave over the end of the year.

2. I was detained in Madras getting the
report for the proposed project in Bellary.
I therefore with all due deference must decline
to take leave for these months, as it would
count against my service, and I was bonafide
employed by Government. I left Madras on
the 17 February 1856.

3. The late Secretary to Government in
the Revenue Department wrote me, that
the best way would be to get an order of Council
for my stay. I have the honor to state, that
the Certificate mentioned by the Paymaster
was not furnished to me. I trust this
question may be quickly disposed of, to
present

prevent my being put to the heavy loss it
would occasion me.

I have &c

/s/ J. Tyrrell Smith
Executive Engineer Berar.

Resolved, to forward to Govern-
ment copy of the foregoing letter, dated
19th instant from Lieutenant Tyrrell, Executive
Engineer, Berar, with a request that under
the circumstances stated, they will be
pleased to pass an order, authorizing Lieut.
Tyrrell's detention at Madras on duty from
the 31st December 1835 to the 17 February 1836,
both days inclusive; that Officer being
engaged in the Central Office consulting
records, transcribing reports and copying
Plans connected with his impending employ-
ment, during the interval. in Bellary

Wm. Forbes Colmel
Chief Engineer.

To
The Secretary to Government
R. W. Department.
