No. 11. Read the following Extract from the Minutes of Consultation in the Military Department, dated 12th March 1857, No. 827.

Read the following letter from Colonel F. A. REID, Quarter Master General of the Army; to Colonel C. A. BROWNE, Secretary to Government, Military Department, dated 11th March 1857, No. 81.

SIR,

The A. Troop Horse Artillery having on its recent march from Secunderabad to the Mount, experienced great inconvenience at the Warrapully and Pondigul Ferry on the Kistnah river, from want of Boats and assistance from the village authorities, the subject was brought to the notice of the resident at Hyderabad, a copy of whose reply, I have now the honor, by order, to forward for submission to Government.

The Officer Commanding the A. Troop in his communication to this Department, reported that there was a new boat afloat at the Pondigul bank, but the Village authorities informed him, that no authority to put it in use had been received.

Letter from Captain A. R. THORNHILL, Officiating Resident, Hyderabad; to Colonel, F. A. REID, Quarter Master General of the Army, Fort Saint George, dated 6th March 1857, No. 231.

SIR,

I have the honor to acknowledge the receipt of your letter of the 12th Ultimo, No. 476, annexing copy of a communication from the Officer Commanding the A. Troop Horse Artillery regarding the inconvenience experienced by the Troop at the Warrapully and Pondigul Ferry from want of Boats and assistance from the Village authorities.

2. In reply, I beg to state that as the Madras Government has recently arranged to establish a Ferry at Pondigul, independent of the Nizam's Government, it is probable that these inconveniences will cease.

Communicated to Department Public Works.
