Fort Saint George, Public Works Consultation of 7th April 1857.

No. 89. Read the following letter from Colonel C. E. FABER, Chief Engineer; to H. FORBES, Esq., Acting Secretary to Government, dated 20th March 1857, No. 11129.

SIR,

With reference to the latter part of the order of the Government, No. 432, dated the 21st April* last, I have the honor to report for the information of Government, that the Mats, Punkahs, Blinds &c. in the house lately purchased from Arnagherry Moodely, have been valued by the Barrack Master at Rupees (384-4-3) three hundred and eighty-four, annas four, and pice three, as will be seen from the estimate herewith forwarded. Arnagherry however having demurred at the above valuation, and the Barrack Master having suggested that a third person should be deputed to value them, I referred the matter to the present Civil Architect, and he has valued the articles at Rupees 414-5, being Rupees 30-0-9, above the Barrack Master's valuation, and as even this valuation is considerably less than the estimated value made by the owner himself viz. Rupees 751-4-5, I would beg to recommend that the Civil Architect's valuation viz. Rupees 414-5, be paid for the same, and to solicit the orders of Government accordingly.

* Public Department.

No. 90. ORDER THEREON, No. 639; dated 7th April 1857.

The Right Honorable the Governor in Council sanctions the payment to Arnagherry Moodely of Rupees (414-5) four hundred and fourteen, and annas five, being the value of the Mats, Punkahs, Blinds, &c., in the house lately purchased from him. In the event of the owner refusing to accept this sum the articles will be returned to him.
