No. 114. Read the following Extract from the Proceedings of the Acting Superintending Engineer, Northern Circle, in charge of the Central office of Public Works, dated 6th February 1857, No. 10090.

Read the following letter from Captain G. C. COLLYER, Superintending Engineer, Central Circle; to Colonel C. E. FABER, Chief Engineer, dated Camp Camalapore, 22nd January 1857, No. 9.

SIR,

With reference to my letter of the 12th Instant, No. 4, I have the honor to report that Mr. Fisher and myself are sufficiently recovered from fever to proceed with our work.

2. I left Bellary on Monday the 19th Instant, and arrived at this place, yesterday, and I hope in the course of a few days to be able to forward a full report on my Proceedings, after I have examined the Toombuddra channels, or such of them at least, as I may find likely to affect Colonel Cotton's project.

Resolved that copy of the foregoing letter No. 9. dated 22nd Ultimo, be forwarded to Government, for information.

12th January 1857

From, Captain G. C. Collyer,
Supt. Engineer 6. Circle.

To, Colonel C. E. Faber
Chief Engineer in the D. P. W.

Sir,

I have the honor to report to you that Captain Babington one of the Executive Officers in this District is about to proceed to Europe on Sick Certificate which will cause a vacancy in the North Western Talooks of Bella

2 I do not know whether Lieutenant Tyrrell's Report upon Colonel Cotton's project is considered final as far as he is concerned; and whether he is now to be employed as any other Officer is in the usual duties of the District.

Should his Service be available for general employment I would suggest that he be employed in the Charge about to be vacated by Captain Babington that Lieutenant Fisher be directed to order him to

receive

Receive charge of Captain Codrington's work and to prosecute the actual work of an Assistant Civil Engineer
