Fort Saint George, Public Works Consultation of 21st April 1857.

No. 20. Read the following Report from Colonel C. E. FABER, Chief Engineer; to H. FORBES, Esq., Acting Secretary to Government, dated 1st April 1857, No. 11479.

Report, C, on an estimate for improving the Moonsiff's Court House at Oodamalcottah in the District of Coimbatore, amount of estimate Rupees (420) four hundred and twenty.

The above estimate provides for the addition of a Vakeel's room, and a verandah to the Moonsiff's Court House; there is at present no room for Vakeels, the building is moreover exposed for many months in the year to a very strong driving wind from the south-west, and greatly needs the protection which the verandah is intended to afford.

2. The estimate is framed on moderate, but sufficient rates for materials and labour, and is recommended for entry in the Budget for 1858-59, by the District Engineer of Coimbatore, and by the Chief Engineer.

No. 21. ORDER THEREON, No. 664; dated 8th April 1857.

Referred to the Judicial Department for consideration.
