SIR,

I have the honor to request permission to remain at Madras, and observe the method of account, and general economy, maintained at the Railway workshops, and Arsenal; in order to strengen myself for any questions, resulting from the Proceedings of Government on the subject of the Dowlaiswaram workshops,* which I may be called upon to answer, and that during the time so occupied, I may be considered as on duty.

I would suggest, that permission to remain at Madras, on duty for one month be granted to me for this purpose.

Resolved, that the foregoing letter be forwarded for the early orders of Government, with the Chief Engineer's strong recommendation, that Captain Hutchinson's application be complied with to remain at Madras on duty for two months instead of one, and that the Agent and Manager of the Madras Railway Company be requested to afford Captain Hutchinson every facility in making the observations, and acquiring the information necessary for his purposes.
