Fort Saint George, Public Works Consultation of 21st April 1857.

No. 50. Read the following Extract from the Minutes of Consultation in the Ecclesiastical Department dated 3rd April 1857, No. 153.

Read the following letter from the Acting Collector of Ganjam.

Reporting on the Burial ground at Chicacole. } (Here enter 12th March 1857.)

The Acting Collector gives it as his opinion, in which the Civil Judge concurs, that there is sufficient space in the Burial ground at Chicacole for the interment of Christians for some years; as however the present mud inclosure affords no protection against the inroads of cattle, he suggests that a wall of Brick in Chunam be built round the Cemetery so as to include a piece of waste land which formerly belonged to the Burial ground, and which, it is proposed, should be set apart for the interment of Christians not of the Church of England.

2. The Government approve the measure, and desire that the estimate applied for by the Collector for the proposed work be submitted through the Department of Public Works.

3. With regard to para. 4 of Mr. Knox's letter, the Government have not yet determined whether they will accept the tender of the Chicacole Church. It cannot be necessary to entertain a person on 5 Rupees a month solely for the care of the Burial ground. By Extract Minutes of Consultation 3rd February last this has been placed under charge of the Civil Judge whose duty it will be to keep it in decent order with the aid of the Convicts at his disposal.

4. Resolved that the foregoing Resolution be communicated to the Venerable the Archdeacon in reference to Extract Minutes of Consultation 3rd February last, No. 68.
