Fort Saint George, Public Works Consultation of 21st April 1857.

No. 62. Read the following Extract from the Proceedings of the Chief Engineer, dated 1st April 1857, No. 11455.

Read the following Extract Minutes Consultation.

Approves of the communication made by the Inspector of Prisons, to the District Engineer Madura, in respect to the preparation of a plan, for a new Jail at that station and requests the Chief Engineer to report what has been done towards the revision of the plan and estimate, for the Central Prison near Madras. } (Here enter 25th March 1857, No. 547.)

Resolved with reference to the foregoing Extract Minutes Consultation No. 547, dated 25th Instant, to state for the information of Government that a revised plan and estimate for the Central Prison near Madras, were (in accordance with the orders of Government, 21st October 1856, No. 1934) prepared under the directions of the Superintending Engineer, Central Circle, but the same not having been approved of by the Inspector of Prisons, a second revised plan and estimate are now in course of preparation. These could be completed, within a few days, but with the view of saving time and trouble eventually, the Chief Engineer considers it advisable that the plan, as now drawn should be seen by the Inspector, before the estimate is prepared.
