Fort Saint George, Public Works Consultation of 21st April 1857.

No. 94. Read the following letter from Colonel C. E. FABER, Chief Engineer; to H. FORBES, Esq., Acting Secretary to Government, dated 23rd March 1857, No. 11212.

SIR,

With reference to Extract Minutes of Consultation, dated 3rd Ultimo, No. 246, I have the honor to forward for submission to Government the accompanying Statement shewing the decreases effected in establishments permanent and temporary in the Department of Public Works during the past 2 months.

Cuddapah
Chingleput
North Arcot
South Arcot
Trichinopoly
Tinnevelly
and
Garrison Engineer's Department.

2. In the districts noted in the margin, no decreases are reported to have been effected.

3. The withdrawal of Lieutenant Tyrrell from the Madras P. W. D., causes a decrease in the temporary establishment of the Bellary District to the extent of 91 Rupees, that Officer having proceeded to Hydrabad under the orders of Government in Extract Minutes of Consultation No. 188.

Dated January 26th 1857.

4. The decrease shewn in Coimbatore amounting to Rupees 70 per mensem, has resulted from the establishments of two Assistant Civil Engineers having been reduced from Rupees 208 to Rupees 138, under the operation of G. O. G. 28th January last.

5. In Extract Minutes of Consultation 9th October 1856, No. 1839, 4 Assistant Overseers in the D. P. W. of Ganjam were appointed to that District; but as their positions in the Department have been altered in the Roll of the 28th January to 1st Class Sub Overseers, their establishments previously allowed were discontinued.

6. In the Kistna Division, a decrease (effected under Extract Minutes of Consultation 28th January) amounting to Rupees 192 in the permanent establishment is shewn.

Rs. 678.
176 Captain Ouchterlony.
120 Collector.
296
Rs. 382 Decrease.

7. In Malabar the sum of Rupees 382, is entered in the column of decreases which the District Engineer explains is the difference between the amount allowed for office establishment and those actually drawn by him and the Collector for 2 months on account of Assistant writers sanctioned in Extract Minutes of Consultation 28th January last, No. 213.

8. In Vizagapatam 2 estimate makers are reported to have been discharged whose salaries (Rupees 140) for January and February appear as decreases for that period. This return however with that from Salem appearing incorrect will be returned to the District Engineers for revision.

9. I regret exceedingly to submit the return in so incomplete a shape, several Officers (vide margin) having failed to furnish me with the information called for. I am however sanguine that the Statement which will be furnished from the Central office in May next will meet the requirements of Government in every respect.
