Fort Saint George, *Public Works Consultation of 28th April* 1857.

No. 9. Read the following Extract from the Proceedings of the Chief Engineer, dated 1st April 1857, No. 11456.

Read the following letter from Lieutenant A. S. MOBERLY, District Engineer of Chingleput; to Colonel C. E. FABER, Chief Engineer, dated Camp Guindy, 25th March 1857, No. 326.

SIR,

With reference to Extract Minutes of Consultation No. 471, of the 14th March 1857, communicated with your Memorandum No. 11078, of the 19th Instant, I have the honor to forward a statement of the death of the man Quilon received from Dr. Jackson therein called for.

Letter from Surgeon J. N. JACKSON, District Engineer of Chingleput; to Lieutenant A. S. MOBERLY, Civil Engineer Chingleput District, dated Saint Thomas' Mount, 25th March 1857.

SIR,

With reference to Extract from Minutes of Consultation, Public Works Department No. 471, under date the 14th March 1857, together with a Memorandum No. 11078, from Captain C. C. Johnston Acting Superintending Engineer Northern Circle, I have the honor to state that the Native man who received such severe injuries from the falling of the 6th Arch of the Adyar Bridge died of Diarehœa, against which he was unable to contend, after his latse evere injury, by which his health had been so undermined, the injury combined with his long confinement to bed, the shock to the nervous system generally, were causes which prevented his rallying against the last illness of which he died.

Resolved that copy of the foregoing letter and the enclosure therewith received, be submitted to Government, with reference to Extract Minutes of Consultation No. 471, of the 14th March 1857.

(Signed) C. E. FABER, Colonel,
Chief Engineer.

No. 10. ORDER THEREON, No. 751; dated 22nd April 1857.

With his letter of the 27th February, the Chief Engineer submitted an application for the payment of a gratuity of Rupees 22-8 to the widow of the man (Quilon) who was stated to have died from Chronic Diarehœa, brought on apparently by the shock to the system occasioned by the injuries which he sustained at the Adyaur Bridge. In Minutes of Consultation, dated 14th March 1857 No. 471, the Government required medical testimony as to the cause of the death.

2. The Chief Engineer with his present Proceedings submits a communication from the Dated 25th March 1857. Surgeon in Medical charge of the Cantonment of Saint Thomas' Mount. Surgeon Jackson states that "the injury combined with his long confinement to bed, and the shock to the nervous system generally were causes which prevented his rallying against the last illness of which he died." On the strength of this opinion, the Right Honorable the Governor in Council sanctions the payment to Pullya, widow of the deceased, Quilon of the payment of a gratuity of Rupees (22-8) twenty-two and annas eight.
