Fort Saint George, Public Works Consultation of 28th April 1857.

No. 19. Read the following Extract from the Proceedings of the Chief Engineer, dated 30th March 1857, No. 11398.

Read the following letter from Captain H. W. RAWLINS, Officiating Garrison Engineer, Fort Saint George ; to Colonel C. E. FABER, Chief Engineer, dated 30th March 1857, No. 64.

SIR,

In obedience to your Resolution No. 11380, of this days date, I have the honor to transmit a plan of Black Town, in which I have coloured in yellow, the site proposed for the water shed at the Boatmen's gate near Clives Battery.

2. The proposed site has been approved of by the Secretary to the Marine Board and the Master Attendants, as convenient and suitable and it adjoins the ground on which the old shed stood.

I request the favor of your returning the plan at your convenience.

Resolved to forward copy of the foregoing letter and the plan therewith received (to be obligingly returned) for the information of Government with reference to Extract Minutes Consultation dated 27th March 1857, No. 565.

(Signed) C. E. FABER, Colonel,
Chief Engineer.

No. 20. ORDER THEREON, No. 756; dated 22nd April 1857.

From the plan received with the above Extract the site selected for the proposed water shed seems unobjectionable. The Right Honorable the Governor in Council is therefore pleased to sanction for entry in the Budget of 1858-59 the estimate of Rupees (680) six hundred and eighty submitted on the 6th March for the erection of the shed.

(Signed) H. FORBES,
Acting Secretary to Government.
