The Government observe that the aggregate amount provided for in the Budget of 1856-57, for the repairs of Irrigation works, Communications, and Buildings for the Chingleput District is Rupees 1,34,010. This amount stands at the disposal of the District Engineer, and he will be at liberty to draw therefrom the sum required for the repair of the two Traveller's Bungalows referred to in the above Proceedings, for which estimates appear to have been sanctioned by the Chief Engineer. As under the present system of accounts advances are to be drawn without reference to particular works or classes of works, there can be no difficulty whatever in the District Engineers obtaining from the Collector out of the aggregate amount placed at his disposal, such sums of money as he may require to carry out the sanctions granted by the Government or Chief Engineer.
