No. 56. Read the following letter from Colonel C. E. FABER, Chief Engineer; to H. FORBES, Esq., Acting Secretary to Government, dated 2nd May 1857, No. 24.

SIR,

With reference to Extract Minutes Consultation No. 55, dated 14th January, and No. 516, dated 21st March last, I have now the honor to submit under Clause II. Extract Minutes Consultation No. 696, dated 18th October 1855, a plan and estimate amounting to Rupees (1,950) one thousand, nine hundred and fifty, for making the necessary additions to the Slaughter house at Perambore.

2. As the plan provides for all that is necessary and the rates charged in the estimate are moderate but sufficient, I recommend the same for the early sanction of Government, as in the opinion of the Civil Architect it will take 3 or 4 months to complete the work and the working season is now much in advance.

Ordered to be communicated to the Public Department in continuation of Extract Minutes of Consultation in this Department, dated 21st March 1857, No. 516.

(Signed) H. FORBES,
Acting Secretary to Government.
