Extract from the Minutes of Consultation, in the Public Works Department, under date 17th April 1857, No. 706.

Read the following letter from Colonel C. E. Faber, Chief Engineer; to H. Forbes, Esq., Acting Secretary to Government, dated 17th December 1856, No. 8932, W.

Sir,

With reference to a Memorandum from the Deputy Secretary Military Department, dated 9th May 1856, I have the honor to submit copy of a letter No. 319 dated 31st October 1856. from Lieutenant Scott, District Engineer of Madura, furnishing as far as possible the information required.

2. The shed in question was originally built by Regimental Lascars at no cost to Government, and was intended merely for keeping charcoal and paddy husk.

3. The Serjeants' Quarters is a distinct building the improvement of which was recommended by the Officer Commanding Southern Division and approved by the late Commander of the Forces.

4. The estimate for the improvement was framed by the Acting Civil Engineer and the plan was approved and submitted to Government by me but has not been returned with the other papers.

5. I now beg to recommend the entry of the estimate Rupees 370, in the Budget of 1857-58.

Referred to the Military Department for consideration.

(True Extract.)
