No. 14. Read the following letter from Colonel C. E. FABER, Chief Engineer; to H. FORBES, Esq., Acting Secretary to Government, dated 17th April 1857, No. 11782.

SIR,

In submitting for the favourable consideration of Government the accompanying letter from the Acting Collector of Malabar No. 813, dated 25th March 1857, together with a letter from Mr. F. C. Brown, who rents 5 Deshoms of the Cherikul Talook for 99 years, dated 23rd March 1857. I have the honor to remark that Mr. Brown requests that he may be allowed a loan of Rupees 5,000 to open a road from the Trunk road No. 4, at Chalyot on the Periambaddy Ghaut down to Aujenkaudy and Kalay Mr. Brown details the road that he has already opened from Aujenkaudy, viz. the one to Chalyot on the Periambaddy Ghaut, another to Kallur on the Periambaddy Ghaut which he now wishes to improve, another to Tellicherry, and a fourth to Cottaparumba, or altogether about 27 miles of road, at a cost of between 12 to 15,000 Rupees. He also describes the improvements which have taken place in the way of extension of cultivation on the banks of the Aujenkaudy river.

Dated 23rd March 1857.

2. Mr. Robinson has inspected the locality, and now not only gives Mr. Brown's Application, his hearty support, but recommends that 2,500 Rupees should be paid by Government, and 2,500 Rupees lent to Mr. Brown, on the understanding that he repays the amount, in five equal instalments, I cannot but think, that Government will be gratified to find that so much has already been done by one individual, I have therefore the honor to recommend that the sanction, now solicited, be granted, with some expression, if thought, advisable, of the opinions of Government, on Mr. Brown's liberal, and public spirited conduct, for communication to that gentleman.

No. 15. ORDER THEREON, No. 928; dated 14th May 1857.

With the above letter, the Chief Engineer submits an application from Mr. F. C. Brown for a loan of Rupees 5,000, for forming a certain road at his own expense.

2. The road which Mr. Brown proposes to open is a branch from Trunk line No. 4, near Chalyot to Aujenkaudy and Kalay, thereby to connect the northern parts of Malabar where he is settled, with the main line. Mr. Brown appears to have already laid out large sums in a similar manner for the benefit of the people in that part of the country; and the cause which renders it difficult for him to accomplish his present object without the assistance he seeks from Government, is attributed by him to the failure of his usual resources.

3. Mr. Robinson the Collector of Malabar strongly supports the application. He reports that Mr. Brown is the renter of five Deshoms of the Cherikul Talook, on a lease of 99 years, and that he has been an improver of the country, where he has influence; that is beneficially used. He adds that the road will be really for the advantage of the country generally, and recommends that the Government itself shall undertake to defray one half of the expense, Mr. Brown refunding his share, Rupees 2,500 in five equal instalments. The Chief Engineer concurs in this recommendation.

4. The Right Honorable the Governor in Council is unable to grant money to individuals for the performance of private works, but he is pleased to sanction the payment to Mr. Brown on loan of Rupees (5,000) five thousand, without interest, on condition of his repaying the same in five equal instalments within a period not exceeding three years. Mr. Robinson will pay the sum to Mr. Brown from the Public Treasury, after taking from him a written engagement to repay it.

Acting Secretary to Government.
