Fort Saint George, Public Works Consultation of 28th July 1857.

No. 39. Read the following letter from Colonel C. E. FABER, Chief Engineer ; to H. FORBES, Esq., Acting Secretary to Government, dated 9th July 1857, No. 1901.

SIR,

I have the honor to submit under Clause II, Extract Minutes Consultation No. 696, dated 18th October 1855, an estimate amounting to Rupees (190) one hundred and ninety, for laying a wooden floor, in lieu of the present granite one, to the Prisoners room of the European Barracks in Fort Saint George.

2. Extract Minutes Consultation No. 837, dated 4th May last, having been circulated to all Officers of the Department Public Works, for opinion and report, the Officiating Garrison Engineer has submitted the estimate, herewith forwarded, and which having been prepared on moderate but sufficient data, I recommend for the early sanction of Government.

No. 40. ORDER THEREON, No. 1423; dated 24th July 1857.

This work will be entered in the Budget of 1858-59. The work is one that it is desirable to execute, but the Right Honorable the Governor in Council is of opinion that at present the one lac fund, from which alone it can be immediately executed, must be reserved for works of even more pressing importance.

 The work is one that it is
 not to expect, but that it
 is possible. The Governor has
 said no opinion that it is
 that the one has found from
 which alone it can be
 directly expected, much better
