No. 91. Read the following Extract from the Proceedings of the Chief Engineer, dated 20th July 1857, No. 2187.

Read the following letter from Lieutenant J. O. MAYNE, Acting District Engineer of North Arcot; to Colonel C. E. FABER, Chief Engineer, dated Camp Arcot, 1st July 1857, No. 1043.

SIR,

I have the honor to enclose copy of letter from Mr. Dopping together with Medical Certificate of Mauriappen Moodely with reference to Extract from Minutes of Consultation No. 1058, dated 3rd Instant. The man was not I believe under Medical treatment at first but as by the enclosed Certificate he is still unfit for work, I beg to recommend as Mr. Dopping suggests that the sum of Rupees (6-10) six and annas ten, be paid to him with which it appears he would be satisfied.

Letter from J. H. DOPPING, Esq., Civil Engineer; to Lieutenant J. O. MAYNE, Acting District Engineer North Arcot, dated Camp Raneeper, 25th June 1857, No. 211.

SIR,

With reference to your letter No. 886 of the 12th Instant, enclosing the Extract Minutes of Consultation No. 1058, dated 3rd Idem, regarding the accident which occurred at the Timery Fort on the 3rd of May last, I have the honor to enclose a Certificate from the Surgeon of this Cantonment to the effect that Cooly Mauriappen Moodely was not in fit state to work up to this date and his relations and friends appear satisfied that he should receive 2 annas per day up to this date as compensation I would therefore suggest that I may be allowed to pay him the sum of Rupees (6-10) six and annas ten being two annas for fifty three days. With regard to the compensation to the friends of the deceased Comarasawmy, I beg to point out that as stated in my letter No. 155, dated 4th May 1857, he was as it were, acting the part of a Contractor having been paid for the quantity of work done and perhaps under these circumstances, his relations are not entitled to the Commiseration of Government.

I do hereby certify that Cooly Mauriappen Moodely is still labouring under the effects of an accident received at Timery Fort and is consequently unable to return to his work.
