No. 10. Read the following Extract from the Minutes of Consultation in the Military Department, dated 21st July 1857.

Read the following letter from Colonel F. A. REID, Quarter Master General of the Army; to Colonel C. A. BROWNE, Secretary to Government, Military Department, dated 9th July 1857, No. 249.

SIR,

I have the honor by desire of the Provincial Commander in Chief to state that the Brigadier Commanding Hyderabad Subsidiary Force, has brought to notice the want of a cooking shed for the Infantry Escort at the Residency, more especially during the monsoon, there being at present only two very small rooms sufficient for about a dozen men.

2. An open tiled shed about 30 feet long might be erected in rear of the Barracks at the probable cost of Rupees 250, which would add greatly to the comfort of the men. The Provincial Commander in Chief considers that a shed is much required. He recommends that one be erected and solicits the sanction of Government for the same.

Approved for immediate execution.
