Sir

With reference to my letter of the 7th Ultimo No 121 forwarding Copy of one which I had addressed to the District Engineer on the subject of the preparation of the Statement of Increased Expenditure, I have the honor to report for your information that the District Engineer having under date the 29th May 1857 informed me that the Statement called for by me for the period intervening between 1st October 1855 and 30th April 1856 in the former furnished to him would be

late

"take a long time preparing as it is very
long thus, that at present this office is ex-
=ceedingly busy closing last years Accounts"
and that if I could send him an English
writer to copy it out, it would much ac-
=celerate its despatch. I have accordingly
placed at his disposal the services of a
Copyist tho from the state of business in
my own office I could ill spare him.
A Goomastah has also been sent to as-
=sist in the Acting District Engineers office

2 The Account of unpass-
=ed Expenditure is finished up to 30th Sept-
=tember 1856 the date on which I ceased to
have charge of the Manamel Executive,
but until the Statement from 1st October
1856 to 30th April 1856 is furnished by the Dis
=trict Engineer the Account of Unpassed Expen-
=diture cannot be Submitted.
