No. 26. From the Chief Eng^r D. P. W. 3^d February 1857. No. 257. Supplies the information called for in Extract Mins. Cons. No. 165, of 22^d January 1857, regarding the duties in which the members of the lower subordinate Department of Public Works are employed. Feels that he cannot, under the responsibility of reducing their number, state that the amount of work done in the Central Office, is not conjectural but practical, observes that one large project of 5 Lacs must obviously call a much smaller amount of office machinery into operation, than 50 smaller undertakings of 10,000 Rupees, or 500 works costing only 1,000; and, in regard to the respectability and responsibility of their Office, states, that he is not prepared to report, that duly qualified and honest Agents can be obtained, for a smaller amount of Salary than that allotted to Supt. Eng^rs and Storekeepers.	No. 27. Mins of Gov. agreeing with Colonel Tabor, that, the attempts of the Supreme Gov^t to reduce and place the number of Sub Engineers proposed to be employed within the limits of this Presidency, on a par with those in other parts of the Indian Empire, must be abortive. Concurring with Col. Tabor with the views expressed by him, regarding the duties performed by sub Engineers under the circumstances represented by the subordinate Dept^t, unwilling to take upon To the Gov^t of India. 2^d D^r. Assuring the Gov^t of India, that it is wholly impossible consistently with the efficiency of the entire Public Works Dept^t, to effect any reduction in the scheme of establishment proposed for it at this Presidency. upon themselves is to assert, that any, even the least reduction is compatible with the well being of the Country, and the safety of the Revenue. Conciding with the Chief Eng^r in opinion that the establishment of the Central Office of the P. W. D., cannot be reduced for reasons stated, and laying down the standard whereby to judge of the amount of work in an Office. Stating that no reduction can be made in the Garrison Eng^rs Establishment, and in the salaries of the Storekeepers. Authorizing the Chief Engineer to carry out the distribution of the lower subordinate Establishment, according to the statement contained in his letter.	2^d April 1858.	
No. 29. To the Gov^t of India. P. W. D. 27th April 1857. No. 610. Forwarding to the Gov^t of India two lists, shewing the number, date and subject of the Despatches addressed to and received from the Honble Court, during the year 1856.
