Read the following letter from Colonel F. A. REID, Quarter Master General of the Army; to Colonel C. A. BROWNE, Secretary to Government Military Department, dated 25th May 1857, No. 185.

SIR,

I have the honor by desire of His Excellency the Commander in Chief to state that a mud-wall round the Forage yard of the B. Troop Horse Artillery at Trichinopoly is requisite for the proper security and preservation of the Forage as the temporary bamboo fence put up round the yard two years ago is fast going to decay.

Also ventilators in the roof of the shed used for boiling gram. These works appear to be necessary. His Excellency therefore recommends them and solicits the sanction of Government for their being carried into effect.

Referred to the Department of Public Works.

(Signed) H. MARSHALL, Lieut.-Colonel,
Dy. Secretary to Government.

No. 76. ORDER THEREON, No. 1046; dated 2nd June 1857.

Ordered to be communicated to the Chief Engineer with a request that he will prepare and submit, for the sanction of Government, an estimate for the works referred to in the letter from the Quarter Master General of the Army.
