No. 76. Read the following letter from Colonel C. E. FABER, Chief Engineer; to H. FORBES, Esq., Acting Secretary to Government, dated 7th May 1857, No. 150.

SIR,

I have the honor, to forward for submission to Government, an estimate of Rupees (125) one hundred and twenty-five, prepared by the Staff Officer in charge of Military buildings, and approved of by the District Engineer of Trichinopoly for the Saddle and Harness stands ordered in Extract Minutes Consultation No. 3323 of the 18th December 1856, to be supplied to the B. Troop Horse Artillery, according to the pattern prescribed in Minutes of Consultation, dated 30th November 1854, No. 3182, and which Lieutenant Ryves reports in the accompanying letter* to be now under progress as an emergent work.

*No. 1055, of the 17th April 1857.

2. The estimate has been examined in this office, and found to be correct, and the rates are moderate, but sufficient, I have therefore the honor to recommend that the amount viz., Rupees (125) one hundred and twenty-five, be sanctioned by Government.
