Fort Saint George, Public Works Consultation of 8th January 1858.

No. 11. Read the following Extract from the Proceedings of the Chief Engineer, dated 17th December 1857, No. 6078.

Read the following letter from R. H. WILLIAMSON, Esq., Post Master General ; to Colonel C. E. FABER, Chief Engineer, dated 12th December 1857, No. 3241.

SIR,

The Director General of the Post Office in India having ordered the transfer of the runners between Tooney and Chetterpoor from the present route to the new Trunk road, I have the honor to request the favor of your issuing the necessary instructions to the proper Officers of your department temporarily to bridge the several Irrigation channels on the main road, particularly those between Soutam and Subbarem.

Resolved to forward copy of the foregoing requisition No. 3241, of the 12th December 1857, from the Post Master General, Madras, to the District Engineer's of Vizagapatam and Ganjam, for their respective information and guidance, and with instructions to adopt the necessary measures, forthwith, for rendering the several nullahs and rivers on Trunk road No. 6, from Tooney to Chetterpoor passable for dak runners at all times without detention.

Lieutenants Vertue and Blagrove will be pleased to report the number of temporary foot bridges required, their dimensions, cost, and probable time of construction; but operations are to be begun immediately, and prosecuted to completion out of the general funds at their disposal, on the responsibility of the Post Master General at Madras.

Resolved also that transcript of the present instructions to the District Engineer's of Vizagapatam and Ganjam be forwarded for the information and favorable consideration of Government, together with a copy of Mr. Williamson's requisition of the 12th current.

(Signed) C. E. FABER, Colonel,
Chief Engineer.

No. 12. ORDER THEREON, No. 6; dated 6th January 1858.

Before commencing any operations for bridging the channels, &c., on Trunk road No. 6, it is necessary that Estimates of the cost of the work should be submitted for the consideration of Government. On the receipt of the estimates orders will be passed.

(Signed) H. FORBES,
Acting Secretary to Government.

N^o 1078.

Extract from the Proceedings of the Chief Engineer
in the Department of Public Works.

Under date the 17th December 1857.
Read the following.

Madras

N^o 3241. Chief Engineer's Office
12th December 1857.

To The Chief Engineer in the Department of Public Works.

Sir, The Director General of the Post Office in India having ordered the transfer of the runness between Toner and Chellipoor from the present route to the new Trunk Road. I have the honor to request the favor of your issuing the necessary instructions to the proper Officers of your department temporarily to bridge the several Irrigation Channels on the main road - particularly those between Loutam and Subbarum.

I have &c.

(Signed) B. H. Williamson

Post Master General

Resolved to forward Copy of the foregoing requisition N^o 3241. of the 12th December 1857. from the Post Master General Madras to the District Engineers of Vizagapatnam and Languam. for their respective information and guidance, and with instructions to adopt the necessary measures, forthwith, for rendering the several Nullahs and rivers on Trunk Road N^o 6. from Toner to Chellipoor, passable.

feasible for daily runners at all times without detention. -

Engineers' Notes and Reports will be pleased to report the number of temporary foot bridges required, their dimensions, cost, and probable time of construction; but operations are to be begun immediately, and prosecuted to completion out of the general funds at their disposal, on the responsibility of the Post Master General at Madras. -

Resolves also that transcripts of the present instructions to the District Engineers of Tinjavatam and Tanjavur be forwarded for the information and favorable consideration of Government, together with a copy of Mr. Williamson's requisitions of the 12th (current).

Wm. A. R. Colman

Chief Engineer
