No. 13. Read the following Extract from the Minutes of Consultation in the Military Department; dated 23rd December 1857, No. 4717.

Read the following letter from the Chief Engineer of Hyderabad; to Colonel C. A. BROWNE, Secretary to Government, Military Department, Fort Saint George, dated 9th December 1857, No. 692.

SIR,

No. 112, dated 8th October 1857.

No. 5328, dated 19th Novr. 1857.

I have the honor to enclose copy of a letter* from Lieutenant H. D. B. Smith, Executive Engineer, Secunderabad Division, Hyderabad Department Public Works, and an Extract† from the Proceedings of the Chief Engineer Madras, and request you will be good enough to obtain the sanction of Government for the services of Corporal Henry Augustus Gilbert, late of the 2nd European Light Infantry, and now of the Sappers and Miners being placed at my disposal for employment as Serjeant Inspector in the Secunderabad Division of the Hyderabad Department of Public Works, should his services not be required with his Corps.

From the Executive Engineer, Secunderabad Division; to the Chief Engineer of Hyderabad, dated 8th October 1857, No. 112.

SIR,

I have the honor to acknowledge the receipt of your demi-official letter of the 7th instant containing instructions upon which I have acted, vide copy of Department orders of this day's date attached.

2. As the Chief Engineer of Madras was so kind as to offer me the services of Non-Commissioned Officer of Sappers (vide his demi-official letter of July 9th) in the room of Mr. Gray, now removed, and as it is absolutely necessary that there should be a Serjeant Overseer to assist me in the work of two stations, whilst I am engaged upon the new Barracks at Trinulgherry, I should feel much obliged by your allowing me to avail myself of the offer, and should you kindly make official application for a Non-Commissioned Officer as above, I would venture respectfully to solicit the services of Corporal Henry Augustus Gilbert, whom I knew for a long time in my own Corps (the second European Light Infantry) before his transfer. Corporal Gilbert has been employed in the Department Public Works, but has very recently been appointed to the Sappers, owing to the recent reductions made in the former department.

3. I make this application without the knowledge of the Corporal, and am prompted to do so by my knowledge of his exemplary behaviour in the Regiment and Soldier-like smartness having become acquainted with him from the time he was a recruit until the day he left the Regiment—a period of five years.
