Fort Saint George, Public Works Consultation of 26th January 1858.

No. 38. Read the following letter from Colonel C. E. FABER, Chief Engineer ; to H. FORBES, Acting Esq., Secretary to Government, dated 18th January 1858, No. 6684.

SIR,

I have the honor to forward copy of a letter from the District Engineer of Vizagapatam, of the 26th November 1857 No. 948, submitting an Estimate with Plan, for the construction of a building for the accommodation of the Signal Serjeant, and the safe keeping of his Flags and other Stores near the Flag Staff on the Dolphin's Nose at Vizagapatam at a probable cost of Rupees (440) four hundred and forty.

2. Concurring with the local Officers in the necessity of this small work, I recommend it for sanction on emergency for immediate execution.

Letter from Lieutenant J. VERTUE, Acting District Engineer, Vizagapatam ; to Colonel C. E. FABER, Chief Engineer, dated Camp Nursipatam, 26th November 1857, No. 948.

SIR,

I have the honor to forward a Plan and Estimate amounting to Rupees 440, for the construction of, on the Dolphin's Nose and adjacent to the Flag Staff a building for the use of the Signal Serjeant, and for the reception of the Flags, Signals, and other stores connected with the Flag Staff. The latter is now on the point of being finished, and as it cannot be used until shelter of some kind be provided for the Signal Serjeant, and the property of which he has charge, it is of the utmost importance that this estimate be sanctioned, and the building commenced without loss of time. Being in such a very exposed situation, it is necessary to erect a substantial construction, as is provided for by the estimate.

No. 39. ORDER THEREON, No. 120 ; dated 23rd January 1858.

Ordered to be referred to the Marine Department for consideration.
