Fort Saint George, Public Works Consultation of 30th June 1857.

No. 43. Read the following letter from F. LUSHINGTON, Esq., Civil Auditor; to E. MALTBY, Esq., Acting Chief Secretary to Government, dated 16th June 1857, No. 69.

SIR,

The Government was pleased in Extract from Minutes Consultation, dated 28th April (Military Department) to permit Captain Ford Executive Engineer of the 4th Class to receive a Moiety of his Civil salary during his absence on duty with his Regiment in Burmah. But it has been ruled by the Honorable Court of Directors in their despatch, dated 18th February last published in the Official Gazette page 764, that Officers temporarily withdrawn from their Civil appointment for Regimental duty shall in no case receive more than one fourth of their Civil salary, I have the honor therefore to request that I may be favored with the instructions of Government whether this late ruling of the Honorable Court is to be considered as having cancelled the decision of Government in the order above quoted, whether the allowances therein granted to Captain Ford are still be passed to him.

No. 44. ORDER THEREON, No. 1252; dated 26th June 1857.

The order of the Honorable the Court of Directors, alluded to by the Civil Auditor, was published in the Fort Saint George Gazette under date 12th May 1857, and from para. 2 thereof it is clear that the rule is to be applicable to "future" cases. The sanction conveyed in Extract Minutes of Consultation Military Department No. 1380, of an anterior date, viz., 28th April, to pay Captain Ford a Moiety of his Civil allowances while temporarily doing duty with his Regiment cannot be considered cancelled or superseded.
