Referring for consideration the proposition of the Acting Sub-Collector of Masulipatam to build a new Civil Dispensary, and establish a Public Library in the town of Masulipatam. } (Here enter 26th May 1857, No. 499.)

From the proceedings of the Board of Revenue, 11th May 1857, No. 1497, it appears that subscriptions to the extent of Rupees 2,750 have been raised at Masulipatam towards the erection of a Civil Dispensary at that station, and it is expected that the total contributions will ultimately amount to Rupees 3,000.

2. The inhabitants have thus complied with the condition laid down by the Honorable Court in such cases, and, as the cost of the proposed building is estimated at Rupees 8,000, the Government will be prepared to grant the further sum required, Rupees (5,000) five thousand, towards this object, on being furnished with a plan of the Dispensary, approved by the Collector and Zillah Surgeon; such plan, together with a detailed estimate of the work, will be called for through the Department of Public Works.

3. The interest of Rupees 5,000, at 5 per cent. is, it is observed, less than what is now paid monthly, Rupees 25, as rent for the building in use.
