Public Works Extract Minutes Consultation, dated 5th June 1857, No. 1076.

The Acting Assay Master has reported in his letter to the Mint Committee, dated 26th May 1857, that it would be unsatisfactory to introduce the chloride process of Assay prior to the construction of a laboratory, and the estimate submitted by the Chief Engineer with his communication of the 29th May 1857 No. 771, for the purpose, has received the approval of Government in the Financial Department in Extract Minutes of Consultation above recorded. The Right Honorable the Governor in Council therefore sanctions the estimate amounting to Rupees (2,260) two thousand, two hundred and sixty, and orders that its amount be provided from the one lac fund.

(Signed) H. FORBES,
Acting Secretary to Government.
