No. 54. Read the following letter from Lieutenant A. D. TAYLOR, I. N.; to HENRY FORBES, Esq., Acting Secretary to Government, dated 6th July 1857.

SIR,

I have the honor to acknowledge the receipt of Extract Minutes of Consultation, No. 1279, dated July 1st, calling upon me for a report upon the rivers and harbours of Canara.

I have a mass of Manuscript plans by me which I would wish to send in with my report as a reference to them will serve to explain what I have to say more fully.

Most of these plans being yet in an unfinished state I respectfully solicit of Government, that an intelligent Draftsman of the Department of Public Works may be lent me for four or five days to assist me in completing these documents at my present quarters in Government House.

Ordered to be communicated to the Chief Engineer with a request that he will place, at the disposal of Lieutenant Taylor, the services of an intelligent Draftsman for a few days for the purpose specified in the above letter.
