1

Fort Saint George, Public Works Consultation of 14th July 1857.

No. 53. Read the following Extract from the Proceedings of the Chief Engineer, dated 27th June 1857, No. 1567.

Read the following Extract from the Minutes of Consultation.

(Here enter No. 1214, dated 23rd June 1857.)

Resolved to inform the Government that, six is the total number of Barometers of a particular construction for special operations which the Chief Engineer intended to recommend, and that his last Communication was intended only to keep the Government acquainted with such further information as had reached the Central office.

Resolved also to report to Government, that the omission of reference to previous Proceedings was accidental and by no means intentional.

(Signed) C. E. FABER, Colonel,
Chief Engineer.

No. 57. ORDER THEREON, No. 1335 ; dated 11th July 1857.

Ordered that the above Proceedings and the previous communication, from the Chief Engineer be forwarded to the Honorable Court in continuation of the letter from this Government, dated 20th February 1857, No. 4.

(Signed) H. FORBES,
Acting Secretary to Government.
