MADRAS RECORD OFFICE.

Government of Madras.

Public Works DEPARTMENT.

G.O. No.	1345	Press Mis.	
73-74			
Dated	13-7	, 18	

Not to be folded or roughly handled

Fort Saint George, Public Works Consultation of 13th July 1858.

No. 93. Read the following letter from Major E. LAWFORD, Officiating Chief Engineer; to T. PYCROFT. Esq., Chief Secretary to Government, dated 8th July 1858, No. 1798.

SIR,

I have the honor to submit for the consideration and orders of Government, copy of a letter* from Mr. F. L. Moncrieff, Acting 3rd class Executive Engineer, in charge of the work-shop at Dowlaiswaram.

* Dated 13th May 1858 No. 12 to be returned.

2. Mr. Moncrieff was appointed to act as 3rd class Executive Engineer in the Official Gazette of the 20th October 1857, Vice Captain C. H. Hutchinson who was then ordered for field service. Mr. Moncrieff it appears submitted to the Civil Auditor his pay Abstract for October 1857, claiming a moiety of 600 Rupees six hundred, the salary of a non-Military 3rd class Executive Engineer, and half the salary of his proper rank, viz., Rupees (500) five hundred, as sanctioned in the Notification of Government of the 27th January last, but the extra allowance claimed was disallowed by the Civil Auditor.

3. In Extract Minutes Consultation dated 26th March 1858 No. 519, the Government were pleased, upon the representation made by the Civil Auditor, to decide in a case precisely similar that the higher rate of deputation allowance should be granted to the Officer therein named on the higher rate of Civil salary attached to the post. The Government further directed that this course should be observed in all similar cases for the future. There can be no objection accordingly to Mr. Moncrieff drawing the higher rate of deputation allowance from the date of the order of Government above referred to, but as his present claim refers to a period anterior to the dated of the above order, I beg to submit the same for the decision of Government.

No. 94. ORDER THEREON, No. 1345; dated 13th July 1858.

The Government observe that the letter from Mr. Moncrieff of which a copy is enclosed in the Officiating Chief Engineer's communication, is addressed to the Civil Auditor. They will therefore await the submission of that Officer's reply; in the mean time Mr. Moncrieffs letter is returned as requested.

(Signed) T. PYCROFT,
Chief Secretary.
