No. 95. Read the following letter from Major E. LAWFORD, Superintending Engineer Southern Circle in charge of Central Office of Public Works; to W. H. BAYLEY, Esq., Acting Secretary to Government, dated 25th June 1858, No. 1417.

SIR,

In submitting the accompanying letter* from the Acting District Engineer of Tinnevelly, applying for the retention of the office establishment maintained by Lieutenant Payne (who now stands appointed to the charge of Madura) in that District, I have the honor to recommend that sanction may be granted for the establishment referred to being retained for a period of six months, or until the question of fixing a standard of office establishments is disposed of.

* No. 82, dated 19th June 1858.

Letter from Lieutenant R. F. OAKES, Acting District Engineer Tinnevelly; to Colonel C. E. FABER, Chief Engineer, dated Palamcottah, 19th June 1858, No. 82.

SIR,

I have the honor to request that you will be good enough to inform me, whether any alteration is to be made in the office establishments in this District consequent on Lieutenant Payne's being appointed to the Madura District for the office establishments at present in the District are those entered in the margin.
