No. 17. Read the following Report from Colonel C. E. FABER, Chief Engineer; to H. FORBES, Esq., Acting Secretary to Government, dated 2nd July 1857, No. 1716.

Report B. on an estimate amounting to Rupees (970) nine hundred and seventy, for additions to the Commissariat Store Godown at Malliapooram.

The above estimate provides for the addition of a room 20 feet by 15 feet, an enclosed verandah 58 feet by 9 feet 3 inches, an open verandah 178½ by 8 feet, and for the substitution of a tiled roof instead of the present thatched roof.

2. It is recommended for execution by the Commissariat Officer at Malliapooram and by the Commissary General, the former Officer assigns as reasons for his recommendation "that "the proposed alterations and additions are both desirable and necessary, on account of the in- "creased strength of the detachment, and of the susceptibility of the present buildings to take "fire from their contiguity to buildings where the soldiers of the detachment are constantly "smoking, and of the inflammable matter of which the buildings themselves are composed."

3. The estimate is prepared on sufficient but moderate data, and is submitted for the sanction of Government, and for entry in the Budget for 1858-59.

No. 18. ORDER THEREON, No. 1369; dated 16th July 1857.

Referred to the Military Department for consideration.
