Fort Saint George, Public Works Consultation of 21st July 1857.

No. 30. Read the following letter from Colonel C. E. FABER, Chief Engineer; to H. FORBES, Esq., Acting Secretary to Government, dated 3rd July 1857, No. 1746.

SIR,

I have the honor to submit under Clause II, Extract Minutes Consultation No. 696, dated 18th October 1855, an estimate amounting to Rupees (2,310) two thousand three hundred and forty, for re-building the compound wall, on the West and South sides, of the Government Garden House at Madras.

2. The Barrack Master in a Memo. No. 408 dated 21st November last, brought to notice, that a portion of the wall had fallen down, and required re-building; the Superintending Engineer Public Department was directed to carry out the work, on emergency, in Extract Proceedings of the Chief Engineer No. 8318, dated 24th Idem; in reply to which, that Officer stated*, that on examination he found that 1105 feet of the wall was bulged, and requested instructions, as to whether, he should re-build the same, for which, authority was duly given, in Extract Proceedings No. 8839, dated 13th December 1856, and that authority communicated for the information and approval of Government, such approval being communicated to me, in Extract Minutes Consultation No. 18 under date 6th January 1857, and by me to the Civil Architect, under date the 15th Idem; that Officer now submits, an estimate for the same amounting to Rupees (2,340) two thousand three hundred and forty, and it having been prepard on moderate but sufficient data, I recommend the same for the early sanction of Government.

* In a letter No. 945, dated 6th December 1856, herewith forwarded.

Herewith forwarded.

No. 31. ORDER THEREON, No. 1376; dated 18th July 1857.

As it is probable that any delay in re-building the fallen and bulged portions of the compound wall of the Government Garden House, would have caused further injury to the wall, the Right Honorable the Governor in Council sanctions on emergency, the estimate submitted by the Chief Engineer for the above work, amounting to Rupees (2,340) two thousand, three hundred and forty.
