Fort Saint George, Public Works Consultation of 21st July 1857.

No. 34. Read the following Extract from the Proceedings of the Chief Engineer, dated 26th June 1857, No. 1554.

Read the following Notification from the Bombay Government Gazette.

(Here enter dated 11th June 1857.)

Resolved that a copy of the rule passed by the Government of India on the 17th April last, and re-published at page 2271, of the Bombay Government Gazette, empowering Chief Engineers to sanction the temporary entertainment of Kalassies by Members of the Department of Public Works employed on special surveys authorized by Government, be submitted for the favorable consideration of the Right Honorable the Governor in Council, with the recommendation of the Chief Engineer, that the same may be made applicable to the Madras Public Works Department, and inserted at an early date in the Government Gazette at Fort Saint George.

2. Cases frequently arise that would come under such a regulation, and at this moment Major Lawford's, survey of the Anunda Cavary in Tanjore, Lieutenant Fisher's survey of the intended new Channel from the Toombuddra, and Mr. Fraser's survey of the vallies of the Bowany and Moyaur are instances in illustration of the usefulness and application of the proposed new rule.

(Signed) C. E. FABER, Colonel,
Chief Engineer.

No. 35. ORDER THEREON, No. 1378; dated 18th July 1857.

The Government observe that the Resolution of the Government of India referred to by the Chief Engineer was communicated to him with Extract Minutes Consultation dated 26th June 1857, No. 1255.

(Signed) H. FORBES,
Acting Secretary to Government.

Public Works Department.

The Right Honble the Governor in Council is pleased to re-publish for general information the following rules, passed by the Govt of India under date the 17 April 185

Chief Engineers may sanction a temporary Establishment of Klassies for any Surveyor or Engineer, whose employment on survey duty has been sanctioned by Govt not exceeding six Klassies for each separate party and provided that the proposed duration of the survey does not exceed six months. For a longer period than six months and for any number exceeding six men to one party, a regular application shall be made in the usual manner. Temporary Establish for survey duties thus authorized by Chief Engineers shall be charged in a Contingent Bill by the Officer in charge of a Survey.—

By order of the R. Honble the Govnr.

Bombay Castle 11 June 1857.
