Fort Saint George, Public Works Consultation of 20th July 1858.

No. 68. Read the following Extract from the Proceedings of the Board of Revenue, dated 1st July 1858, No. 2264.

Read the following letters.

In Con. 15th Jan 1858.
In Con. 1st July 1858.

From the Superintending Engineer, Southern Circle, dated 29th September 1857.
From do. do. 13th April 1858.

(Here enter No. 8953.)

Resolved that the foregoing letters be laid before Government, with the Board's recommendation that sanction be granted for the charges incurred in making brass Badges and Belts for the Peons of the District Engineer's Department in Cuddapah, amounting to Rupees 137-8, as particularized in the accompanying Bill.

2. The Board observe that the Rules for the supply of Peons' Belts were not passed by Government till the 15th October 1857, and that some time was necessarily occupied in making arrangement for supplying Belts for the several Departments. Hence the delay in complying with the Indent of the District Engineer. It was however irregular in this Officer to incur the charge, without previous authority.

(A true Extract.)

(Signed) G. S. FORBES,
Secretary.
